

Date: 1/18

## Wednesday Challenge Form

Group Members: Zachary, Nicolas, Conner

Problem Statement: Carry a golf ball from one Bag to another without touching the bags or The ball. Build a device using supplies given to Pick up the ball

Approach: we did not fully hear the directions To the challenge and thought that there was Only one bag

Solution: the fastest group was one made only Of veterans so someone else got the win

Lessons Learned: listen to directions the entire Time
